

The Commemoration of William Temple
6 October 2022

Dear Sisters and Brothers in Christ,

Our diocese always responds so generously to the needs of our neighbors, and I remember with deep gratitude your response during other times like these.

Many of our sisters and brothers in Southwest Florida and Puerto Rico are struggling to recover and rebuild their lives after Hurricanes Ian and Fiona tore through their communities. The reports and photos from these places are heart-breaking, and the work has only just begun. I have met with the bishops of both dioceses, and they are so thankful for our prayers and help.

We are asked to respond by sending financial support. This is the best help that we can give. I appeal to you to be as generous as you can. Our bishops and Church leadership in these places can deliver direct and life-saving help to those in the greatest need.

Individuals and congregations who wish to make financial donations are encouraged to send donations directly to the Diocese of Puerto Rico, the Diocese of Southwest Florida, or Episcopal Relief and Development.

If you have already given, thank you. If you have yet to give, thank you so much for what you can do.

With love and prayers,

+Peter
